

Model SDC72T13D5C80

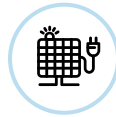

SOLAR CONVERTER

High Efficiency

Battery Compatibility

Grid & Off-Grid Operation

Protection Features

Remote Monitoring

Durable Enclosure

Model	SDC72T13D5C80
Designed for	24V DC Appliances
Input Voltage	40-95V DC
Peak Voltage	9V DC
Output Voltage	13.5V
Output Current	80A
Typical Efficiency	95%
Ripple	200mVp
Line Regulation	±0.2%
Load Regulation	±0.2%
Voltage Accuracy	±1.5%
Enclosures	Ip68
Dimensions	222*130*50mm
Operating Temperature	-40~85°C
Certificates	CE ROHS
Warranty	3 years
Protection	Over-current, Over-voltage, Over-temperature
Standards Compliance	EN 61000-6-3:2007/A1:2011/AC:2012, EN 55014-1:2006/A2:2011, EN 60950-1:2006/AC:2011
